“Stuttgart Reads” Initiative Offers Training

As part of President Bush’s “No Child Left Behind Act,” the Department of Defense Dependents School system, Bavaria district, is sponsoring the “Stuttgart Reads” initiative. The goals of this initiative are to encourage and train parents and other adult caregivers to read aloud to children and to create a relationship between the home, school and community that promotes the value of reading and discussing books. Most importantly, the initiative strives to instill the love of reading in children, thereby developing active readers, thinkers and lifelong learners. Reading aloud is the single most important task parents can do to ensure their child’s success in school and in life. It prepares young children to enter school ready, willing and wanting to learn to read by themselves. It also teaches children new vocabulary, how complex stories work and what fluent reading is supposed to sound like.

The Stuttgart Reads initiative seeks the involvement of parents, older siblings, grandparents and adult caregivers to help children become successful readers. Any person who loves children and is willing to share his or her knowledge and talent is needed to model reading, read to and read with children.

In conjunction with the initiative, Patch Elementary School is having a ‘Reading Starts With Us Family Literacy Program’ on March 27, 8 to 9:15 a.m. in the school’s information center. All parents are welcome. For info on this event call Cindy Hoffmann at 430-5200/civ. 0711-680-5200. Training sessions will also be held at Böblingen and Robinson Barracks Elementary Schools before April 4. For info e-mail Jan Lowry at jan_lowry@eu.odedodea.edu.

IACS Registration Continues

All U.S. identification cardholders and installation pass holders and applicants in U.S. Army, Europe, must register for the new Installation Access Control System. U.S. ID

cardholders who leave Europe before Sept. 1 are not required to register.

To register, Department of Defense identification cardholders need a current ID card and a document that shows why the individual is in Europe, such as permanent change of station or temporary duty orders.

Local national employees, contractors or other type of installation access pass holders will be issued new IACS-produced Installation Access Passes also.

All individuals applying for an installation pass must also register the vehicles they will use to enter U.S. installations.

Registration hours are 9 a.m. to 5 p.m. and is scheduled alphabetically by last name. Registration for Patch, Panzer, RB, off-post residents and local nationals is in the Patch Barracks Installation Access Control Office, building 2307. Registration for Kelley residents is in Kelley Barracks building 3315, room 132.

Remain Vigilant Against Terrorism

As continued reporting and speculation by the media intensifies regarding preparations for possible U.S. military action against Iraq, the 6th Area Support Group commander requests that all personnel continue to remain vigilant for acts of terrorism in and around installations. Suspicious activity or possible acts of terrorism should be immediately reported to the Provost Marshal for appropriate investigation at 430-5261/civ. 0711-680-5261.

Passing Buses On Bases Illegal

Drivers on local installations need to remember that it is illegal to pass school and duty buses on base. Recently, several drivers have passed school buses on Panzer Kaserne near Böblingen Elementary School as they unload in

the morning and load in the afternoon. This is particularly dangerous because children can dash in front of the bus and risk getting hit by drivers who are in the process of passing the bus. The street in front of Böblingen Elementary school is closed to through traffic Mondays to Fridays, 7:45 to 8:15 a.m. and 2:15 to 2:45 p.m.
